Dear All

Selected for hackathon in Los Angeles in a very competitive environment

Thank you to all of you who took time out to apply for the **Code Orange** Hackathon. We were delighted to see the level of interest and enthusiasm around this initiative.

The submissions were of a high standard. As with all our application processes we endeavour to maximise fairness and transparency, with selections based on the quality of the applications rather than any prior knowledge of the candidates. All the applications were reviewed by a panel, with the scores from all panellists summed to make the final candidate selections.

We are delighted to announce that the following people have been selected:

*Jayasankar Raju Sangaraju*

*Rishabh Shrivastava*

*Amit Kulkarni*

*Sirigiri Lakshmi Prasad*

*Shahansha Shaikh*

*Deepak John Reji*

*Rakesh Acharya*

*Soumya Raj Kumari*

*Nagarjuna Reddy Sangani*

*Mahesh Kumar Natikar*

*Nagaraj Ganiga*

*Srujana Neelam*

*Nagendra Kumar*

I started with Arcadis at 650K (INR) per annum in 2017, and in 2019 my salary was 1.2M (INR) per annum. I got three hikes in a year for good performance.
